Minutes of the meeting	
<ol style="list-style-type: none"> 1. In Reception class the ink from the whiteboard pens is marking the children's school uniform. School will see if there are washable pens. 2. Reception to Year 1 move – will the classes be mixed? Mrs Davis will not be talking about classes with the school leadership team until at least 1st June because the last day teachers can resign is 31st May. Parents will then receive a letter on Friday 19th June telling them what class their child is in. Then on Tuesday 30th June in the afternoon Year 1 and Reception children will meet their new teacher. Our Year 2 children will hear from their Junior school about their transition day (which is on 30th June for the whole day) for Year 3 soon. 3. SATS These are happening throughout May and the children will complete a "special book". There is no set day. Parents were invited to attend the SATS evening in January and copies of the slides went out to all Year 2 parents. 4. Road safety on Blackborough Road, West Street and Lesbourne Road. There is the same concern for children walking to local schools. Parking outside school is ok. It would be an improvement to have in place a 20 zone & speed bumps along these stretches of roads. It is largely commuters and buses who pose the danger – driving fast, mounting pavements. The school will contact with the PCSO about this situation and residents could contact the borough council setting out their concerns.
