<ol style="list-style-type: none">1. This year, as a result of parent requests last year, we will host separate Nativity performances. Both will tell the traditional Christian Christmas nativity story. We ask for parents with pre-school siblings to attend the Wednesday performance because as it's the first performance. Siblings in school will come to the dress rehearsal on Monday 8th December. Children attending playgroup on Monday 8th December will also be invited to see their sibling in their nativity production. The DVD will have both nativities recorded. The later start on the Friday allows for Reigate Priory parents to attend the Christmas singing performances on Friday morning.2. The yellow reading record (used at home) is separate to the class records and book (which are used for parent readers listening to children in school) so that the school book is always in school.
